Parliament of The World’s Religions (Cont’d)

- Dr. Larry Greenfield, Executive Director and the OSMTH Grand Master will meet again to discuss joint religious cooperation and advocacy.

- The Parliament discussed in detail Templar history and modern mission. They found Resolution 12-15 a good document that recognized the difficult challenges facing the billions of people of faith. They found it new and a bit exciting that a Christian Chivalric Order is prepared to work side by side with other faiths to solve the world’s problems. The leadership of the Parliament knew and greatly respected Bishop Younan.

- Their door is open to OSMTH
Front Doors of Religions
No other Christian Order in the world has this kind of reach.
